Virtual Participation Options Commission and Advisory Board Meetings April 11, 2022

Background

Under [Virginia FOIA Open Meeting rules](#), County Board appointed Commissions and Advisory Groups are required to have an in-person quorum for meetings. However, new legislation ([Electronic Meetings Bill](#) 2.2-3708.3) recently passed into law and signed by the Governor on April 11, 2022, offers limited ability for Commissions and Advisory Boards to conduct ALL virtual meetings in some situations. In addition, the legislation provides specific scenarios when individual members may participate remotely, when a physical quorum is present.

Summary of Arlington's Virtual & Hybrid Meetings (2022)

ALL VIRTUAL Meetings*	<ul style="list-style-type: none">With some exceptions, most County Board appointed Commission and Advisory Boards appointed by the County Board can conduct 2 meetings or 25% of meetings (whichever is greater) virtually. Virtual Meetings can NOT be held consecutively

- June 10, 2022 Executive Committee Meeting Minutes – Recommendation: Approval
- One-Stop Operator Quarterly Report – For Your Information Only
- Youth Services Waiver: This waiver request is identical to the request made in FY22 which will allow our two American Job Centers to implement WIOA Youth Services through their agencies. Typically, workforce boards procure vendors to perform WIOA Youth Services. Receiving a waiver would allow us to bypass this requirement. – Recommendation: Approval
- Revised Virtual Meeting Policy: Existing Regional Workforce Council policy has been revised based on the passage of Electronic Meetings Bill 2.2-3708.3 in the Virginia General Assembly. – Recommendation: Approval
- PY21 WIOA Funding Transfer Request#1: RWC staff would like to transfer \$67,198.33 from the PY21 DW funding stream to the PY21 Adult funding stream so that the American Job Centers can serve additional adult job seekers who experience employment challenges. The Centers are experiencing low DW traffic so they do not require the full balance of PY21 DW funds to provide services. – Recommendation: Approval

Youth Services Waiver

WIOA Title I Youth Program Procurement – Local Waiver

Issue

- Workforce Innovation and Opportunity Act (WIOA) requires the competitive procurement of Title I Youth Services, unless they are being performed by the local grant recipient.
- Alexandria/Arlington Region's grant recipient, Arlington County Government, would like to continue to perform Title I Youth Services at the Alexandria Workforce Development Center and Arlington Employment Center.

Background

The Department of Labor has issued the Final Rules to implement Title I of the Workforce Innovation and Opportunity Act (WIOA). The Final Rules provides the local grant recipient and Local Workforce Development Board (LWDB) flexibility to award grants or contracts for youth services in accordance with WIOA sec. 123.

As it relates to competitive selection requirement, 20 CFR Part 681, *Youth Activities under Title I of the Workforce Innovation and Opportunity Act*, has language that addresses questions and concerns regarding procurement of WIOA Title I Youth Program services. In particular, Subpart C – *Youth Program Design, Elements, and Parameters*, Section 681.400 language clarifies that the competitive procurement requirements in Sec. 123 of WIOA apply only if the LWDB chooses to award grants or contracts to youth service providers to provide some or all of the youth program elements.

The 14 youth program elements are:

1. Tutoring, study skills training, and instruction leading to secondary school completion, including dropout prevention strategies.
2. Alternative secondary school offerings or dropout recovery services.
3. Paid and unpaid work experiences with an academic and occupational education component.
4. Occupational skill training, with a focus on recognized postsecondary credentials and in-demand occupations.
5. Leadership development activities (e.g., community service, peer-centered activities).
6. Supportive services.
7. Adult mentoring.
8. Follow-up services for at least 12 months after program completion.
9. Comprehensive guidance and counseling, including drug and alcohol abuse counseling.
10. Integrated education and training for a specific occupation or cluster.
11. Financial literacy education.
12. Entrepreneurial skills training.
13. Services that provide labor market information about in-demand industry sectors and occupations.
14. Postsecondary preparation and transition activities.

The Alexandria Workforce Development Center and the Arlington Employment Center have been allowed to perform Title I Youth Services via a state-issued waiver under the Workforce Investment Act. Since 2011, LWDA 12's Title I Youth Program has met its annual performance goals and maintained financial integrity. Title I Youth Program Funding is \$366,489 for FY23/PY22.

The Region's Youth Services Program Design

Alexandria Workforce Development Center and Arlington Employment Center perform the “framework services” for the region’s Title I Youth program. These framework services include intake, objective assessments, development of individual service strategies, case management, supportive services, and follow-up services. Both Centers partner with the following local government and nonprofit partners to provide free services to their youth customers for the 14 youth program elements:

Revised Virtual Meeting Policy

COUNCIL MEETING REMOTE PARTICIPATION POLICY

REFERENCE

- [Electronic Meetings Bill 2.2-3708.3](#) Virginia Freedom of Information Act Section 2.2-3708.1

POLICY

Alexandria/Arlington Regional Workforce Council (Council) will allow a member to participate in a meeting through electronic communication means from a remote location that is not open to the public only as follows:

- If the member notifies the chair of the Council that such member is unable to attend the meeting due to an emergency or personal matter. Such participation by the member shall be limited each calendar year to 2 meetings or 25 percent of the meetings of the Council, whichever is fewer. Or,
- If a member notifies the chair that such member is unable to attend the meeting due to a temporary or permanent disability or other medical condition that prevents the member's physical attendance. Or,
- If the member notifies the chair that such member's principal residence is more than 60 miles from the meeting location.

A quorum of the Council must be physically assembled for remote participation to be allowed. Should the member be allowed to participate in the meeting remotely, the Council's Executive Director must ensure that the following actions are taken:

- The member's specific reason for remote participation must be included in the meeting minutes, including details of remote location. If the member's participation from a remote location is disapproved by the majority of the Council who are physically present at the meeting location, then such disapproval shall be recorded in the minutes with specificity.
- The Council makes arrangements for the voice of the remote participant to be heard by all persons at the meeting location.

Under Virginia FOIA Open Meeting rules, the Alexandria/Arlington Regional Workforce Council (RWC) is required to have an in-person quorum for meetings. However, new legislation ([Electronic Meetings Bill 2.2-3708.3](#)) recently passed into law and signed by the Governor on April 11, 2022, offers limited ability for the RWC to conduct meetings virtually in some situations. In addition, the legislation provides specific scenarios when individual members may participate remotely, when a physical quorum is present.

Summary of RWC's Virtual & Hybrid Meetings
