WIOA Youth Services Waiver

WIOA Title I Youth Program Procurement – Local Waiver

Issue

- Workforce Innovation and Opportunity Act (WIOA) requires the competitive procurement of Title I Youth Services, unless they are being performed by the local grant recipient.
- Alexandria/Arlington Region’s grant recipient, Arlington County Government, would like to continue to perform Title I Youth Services at the Alexandria Workforce Development Center and Arlington Employment Center.

Background

The Department of Labor has issued the Final Rules to implement Title I of the Workforce Innovation and Opportunity Act (WIOA). The Final Rules provides the local grant recipient and Local Workforce Development Board (LWDB) flexibility to award grants or contracts for youth services in accordance with WIOA sec. 123.

As it relates to competitive selection requirement, 20 CFR Part 681, *Youth Activities under Title I of the Workforce Innovation and Opportunity Act*, has language that addresses questions and concerns regarding procurement of WIOA Title I Youth Program services. In particular, Subpart C – *Youth Program Design, Elements, and Parameters*, Section 681.400 language clarifies that the competitive procurement requirements in Sec. 123 of WIOA apply only if the LWDB chooses to award grants or contracts to youth service providers to provide some or all of the youth program elements.

The 14 youth program elements are:

1. Tutoring, study skills training, and instruction leading to secondary school completion, including dropout prevention strategies.
2. Alternative secondary school offerings or dropout recovery services.
3. Paid and unpaid work experiences with an academic and occupational education component.
4. Occupational skill training, with a focus on recognized postsecondary credentials and in-demand occupations.
5. Leadership development activities (e.g., community service, peer-centered activities).
6. Supportive services.
7. Adult mentoring.
8. Follow-up services for at least 12 months after program completion.
9. Comprehensive guidance and counseling, including drug and alcohol abuse counseling.
10. Integrated education and training for a specific occupation or cluster.
11. Financial literacy education.
12. Entrepreneurial skills training.
13. Services that provide labor market information about in-demand industry sectors and occupations.
14. Postsecondary preparation and transition activities.

The Alexandria/Arlington WIOA Title I Youth Program has met a majority its past performance goals and maintained financial integrity. Title I Youth Program Funding is approximately \$327,104.51 for FY25/PY24.

The Region's Youth Services Program Design

Alexandria Workforce Development Center and Arlington Employment Center perform the “framework services” for the region’s Title I Youth program. These framework services include intake, objective assessments, development of individual service strategies, case management, supportive services, and follow-up services. Both Centers partner with the following local government and nonprofit partners to provide free services to their youth customers for the 14 youth program elements:

<p>14. Activities that help youth prepare for and transition to postsecondary education and training.</p>	<ul style="list-style-type: none"> • Alexandria City Public Schools • Arlington Public Schools • Project Discovery: <i>Empowerment and College Preparation</i> • Volunteer Alexandria

When the Centers cannot procure free services to perform the 14 youth program elements they will follow local government procurement procedures to purchase services for their youth customers.

Action Requested

- The local grant recipient would like the Regional Workforce Council to approve a local waiver to allow Alexandria Workforce Development Center and Arlington Employment Center to continue to perform Title I Youth Services for Program Year 2024 (FY25).

Panel Discussion:**How Did You Establish Your Work Experience Program at Your Company?****June 20, 2024****8:35am to 9:30am****Via MS Teams**Issue

What are the resource requirements, both financial and non-financial, that employers need to establish a work experience program?

Definitions

- Work Experience: A period of time during which a young person, usually a student, works for a company or organization in order to get experience of a particular type of work. Networking, work experience, and job shadowing are used as steps on the path to employment and career transitions.
 - Registered Apprenticeship: An industry-driven, high-quality career pathway where employers can develop and prepare their future workforce, and individuals can obtain paid work experience, receive progressive wage increases, classroom instruction, and a portable, nationally-recognized credential. Registered Apprenticeships are industry-vetted and approved and validated by the U.S. Department of Labor or a State Apprenticeship Agency.
 - Internship: The position of a student or trainee who works in an organization, sometimes without pay, in order to gain work experience or satisfy requirements for a qualification.
 - One-The-Job Training: Training that a person is given while doing a job and getting paid.
 - Job Shadow: A type of on-the-job training that allows an interested employee to follow and closely observe another employee performing the role.

Panel Speakers

- Registered Apprenticeship Employers (CVS Health, Eastern Atlantic States Regional Council of Carpenters, Buildwithin, Washington Metropolitan Transit Authority, Metropolitan Washington Airports Authority)
- Internship Employers (Alexandria City Dept. of Community and Human Services)

- On-The-Job Training Employer (NextUp Solutions)
- Job Shadow Employers (Arlington Chamber of Commerce)

Agenda

This is a recorded virtual panel conversation. The panelists will be asked the following questions and their answers will be consolidated into the notes section at the end of this document. The audience may enter their questions into the chat window and the moderator will read them during the event, if there is time.

There are four rounds of questions. Each round has an overall theme and all the questions assigned to each theme will be presented to the panel. Panelists are asked to respond succinctly, without getting into operational minutia. Thirteen minutes will be allocated to each round. The moderator will inform speakers when it is time to wrap up their response. The moderator will also ask speakers to present new information and not repeat information that has been shared by another speaker.

1. Budget Implications:
 - How much does the business have to budget for work experience, annually, beyond the participant's salary (if provided)? What expenses does the budget cover?
 - What are the indirect costs of work experience, include overhead, human resources capacity, office space, and other "red tape" items?
2. HR Implications:
 - What HR policy considerations did you have to make to accept work experience participants?
 - What kinds of employment classifications/categories are participants brought in on?
 - Do you have legal agreements in place to support your work experience effort and, if so, who are they between?
 - How does the hiring and application process for work experience differ from that of permanent employees?
 - Did you have to setup a new performance/accountability system for the work experience?
3. Supervision of Participant:
 - How do you ensure that the supervisor who is assigned to train the participant is taught how to perform this extra role? Is there a cost to supervisor training?
 - How is the supervisor compensated for the additional workload?
 - What if any additional resources/support is the supervisor provided?
 - If you accept multiple work experience participants, what is the ratio of participants to supervisor?

4. Business Need and Culture:

- Why did you decide to start work experience at your company?
- What has been the return-on-investment for providing work experience opportunities?
- How did your culture adapt to work experience?
- What professions/job types within your organization typically provide this? (ie. Finance, Programs etc)
